Susan Weber, Editor
I met and learned to know Pete Yoder while he was a student at Rosedale during Third Term of 1982-83. On the first night of Fifth Term, we received the sad news that Pete had been instantly killed in a car-tractor trailer collision.

It was hard to believe that Pete was no longer on earth with us. Only ten days before, he had been to a chorale program near his home in Belle- ville. The Pete I saw that night was not the same one I knew at Rosedale! He was happy, open and glad to share. I will never forget the look on his face that night and his great BIG smile! That was a big change from the quiet, seldom-smiling Pete of Third Term.

More importantly, Pete had changed spiritually. During Third Term many students, including Pete's roommates, prayed for him and shared with him. When I saw the change in Pete's life because of the care and prayers of his friends, I was challenged to continue reaching out to others and to pray.

On Wednesday, April 13, twenty-five students (three from Third Term who were no longer attending Rosedale and 22 current students) drove to Belle- ville to attend the funeral. Ten Rose- dale Chorale members shared several songs in the service. We each came away feeling closer to our heavenly Father in whose presence Pete now is. Praise the Lord!

Harold and Jane Hoover arrived in July to take the place of Alvin and Lavina Miller. They will be working with Ivan and Loretta Wagler as custodians. The Hoovers have two sons and are living in a trailer on campus. Both were students at RBI in 1971 and the summer of 1978. Their home is in Lititz, PA.

Alvin Yoder has replaced Willard Mayer as Academic Dean and Chairman of the Admissions Committee.

Faculty and staff orientation is planned for all day Friday, September 16 on the RBI campus. The faculty will meet in the morning; the staff will join them after lunch.

ATTENTION, CHORALE MEMBERS!

Rosedale Chorale reunion is planned for Music Week End, March 23-25. Members will be contacted by letter with more specific details. If you have not sent in an address change, please do so now. We are especially in need of address updates for the chorales from 1970-72.

Bob Stauffer has returned to the States after spending six months in Kenya. Arriving home in mid-May, he reported joy in seeing God at work in Africa. During his first two weeks in Kenya, Bob helped with the first School of Ministry sponsored by Regions Beyond Ministry. He, Richard Showalter (64) (faculty, 77-79) and Henry Mulandi (80, 81) taught 45 students who were committed to equipping themselves for ministry. (Next December, Regions Beyond Ministry expects to have 200 students for the second School of Ministry.)

Bob taught at camps in three different locations. In Kenya, camps are held three times a year between school terms. He also preached in churches and went with Henry Mulandi to visit mission areas. Sometimes he rode public transportation (25 people in the back of a pick-up!)

While Bob was in Kenya, RBM moved its central office to a different location in Thika. The front part of the building was converted into a bookstore. RBM also has a tent and film ministry in Thika. Bob helped to develop and establish a volunteer service program for young people who wanted to commit themselves to work for RBM from six months to a year. The volunteers built benches for the tent and bookshelves for the office and bookstore. They also helped with evangelism and follow up work and with weekend Challenges in high schools and colleges.

Bob was a student at Rosedale in 1979 and 1980. He served as Assistant Dean.

Being in Rosedale for Summer School brings back many memories. Two and a half years ago, while at student at Rosedale, I felt the Lord calling me to a full-time ministry. My first plan was to finish at Rosedale and then go to another college where I could work on my undergraduate degree. But that was not the plan of God.

The classes prepared me for my calling. I had to struggle to really know the perfect will of God for my life. In Dynamics of Great Christians, I settled in my heart the calling of God. I said, "Yes," to the Lord when I learned of great men God used in the past. Some of them were not educated very much. What a joy and peace settled in my heart from that day!

Before coming to Rosedale, I was a school teacher and had a teaching certificate. Now I was to leave all that and begin trusting the Lord for my family’s needs. Indeed, the Lord has not failed us in one thing. He is always on time.

I am now pastoring a church that we planted three years ago. I am also bishop of five other churches planted by Regions Beyond workers. There are more than 200 workers scattered all over Kenya who are involved in evangelism, leadership training and church planting.
